1. What would you like to speak about, write about, listen to, listen with, perceive and understand and make use of today? I love you for asking and allowing Me to come and share My heart, My heart unknown to man not, but most, most; most care not for My words and have no place for Me, My words, which I give so royally, gracefully, peacefully; My word coming through My peace which I only can give, riding higher than any turbulence. See what I have said. Turbulence-thought, five-sense reigning, not reigning in My kingdom; but in Me of Mine is peace eternal which Me is. I love you and give you Me.
2. I give you Me without cells and without phones for of the/your heart I am/in released and given privileges you give Me, for I am so surrendered to you and your will, your will governing your kingdom not, kingdom-thought.
3. Are you in control or do you control any person? Why would you do so when in control is no freedom and in freedom is no control and freedom begets freedom and freedom begets creativity and peace in the realm of My heart that is given to you fully, unrestricted, and My mouth on yours. I give you My all. I love you.
4. I am not hot nor cold. I am Me: fire and blazing love which no man has known all of Me. I love you. I offer you Me.
5. I guarantee credibility of only Me. Liability of only Me, promise of only me, of which all things are and beholding My name they will.
6. See Me, what I have said and river forth at allowance, the allowance of your pen taken in My hand and words allowed to be received, recognized, that are already in you. Yea see what I have said and say and declarize not but discharge at My arrival not for I am already there, planted deeply within, and surface as you let Me, allow Me, surrender to Me, and walk in purity increasingly, humbly seeking your God who made you one with Him, and Him are, all things proceeding out of the word of your mouth. Watch Me. I love you.
7. Think it not strange the protectors of this word not, but the protectors of refuse which refuse freedom and creativity inhibit and prevent Me from releasing the greatest creativity worlds have ever known, seen, felt, experienced, for all is in Me.

8. All is in Me, all is in Me/you that I made with My own hands, you Me, Me you, all given and attained not but entered into in realms only of security not but risky humility, peace, love, respect, of which all are in Me and all love are and parts not insignificant of My character. I love you. I respect you. I bless you. I give you Me.
9. You are Me in the fullness of Me and every word spoken and giving account of you will, what you have spoken/speak and render to others verbally and thought. I love you.
10. All comes of Me and Me in Me completely known and loved and appreciated and garnered not in chicken coops for cropping and sharing their harvest and harvesters raping and pillaging with their thoughts and programs with My name on their forehead not, but label of Me in man's mind, designed by man and reaping only a man's reward. See. See. See.
11. How far do you see? How far can you see? **Where will you take Me today in your mind spirit?** Where will you take Me? Where will you encumber Me and why do you restrict Me so, most of you, who Me are and have no clue as to your power/Me-ness. I love you. I have given you My all.
12. See Me beyond horizons horizonless and place Me on horizons and pedestals of your choosing in your terms and mode not, but allow Me to rule and reign in your heart in complete freedom and then freedomize you to freedomize others, other worlds coming into view from your view not, Mine; My view given to Mine who are Me. Oh control I don't and judge. Watch Me.
13. I give you plans and fields white for harvest begging for remainder-men not but seeking their savior for yearning they do to eat the final Passover in flesh to spirit become and realize transformation of only Me, coming, coming: come. Bang!
14. Whew! Some will say. What was that? All will ask, seeing not I had known a man and virgin was, exploded, and made ready and complete and coming forth full grown not, but needing nurture under My wing still, never disconnecting from My words again, letting none fall to the ground. I love you. I give you Me.
15. **Bang!** And all will change, in the twinkling, in a moment, all will be different and seen through My eyes not, some, **some will see, some do now** coming and **strengthening and preparing for** crop dusters not, insects not, but **My white towers** who beam Me forth in purity complete, replete, **never thirsting again.** I love you. I bang! you with such purity the world has yet to behold, beholden, to only Me. I love you.

16. **Think it not strange the words on your forehead or Mine or those you see, for all out in the open is.** See what I have said and connect the dots not but My words on your recorder this morning. I love you.
17. All before you and is now coming and come and already there and perfected not but perfection coming and now is and inside you already, all ready!
18. All ready for receipt of My all not; so ingrained in “apostles faith and doctrine” that they’ve forgotten Me, omitted Me, and use Me as a reference for what they want: social programs and growth-agendas-thought. How repulsive, demeaning, disgusting. I called you. I made you. **I destined you to reign with Me on My throne and throne consist of** and you some, you some, you take Me and demean Me and abase Me and call Me names, curse and rant, and demean and abase others constricting them and telling them they are free when they’ve never tasted of My goodness, that which is good: life, and My **abundance at My table, operating in My mansions sky-less and beyond all sky-thought.** I love you.
19. I give you Me, unrestrictedly I have given you covenant from My lips and **relent I won’t, you are a priest after the order of Melchizedek, Me, if and only if not; you are, and no man institution organization authority power government can take that right from you. You are Me. Priest unto Me.** I love you.
20. I give you Me, inheritance given to operate not when you dead are-thought, but **in life now upon this planet so little and more coming.** I love you.
21. I gave you Me. I died. I cried. I brought you forth in pain and suffering not but joy daily you were My delight and ate at My table.
22. Lost. Lost! Found! Regained. I will not relent. **You are a priest after the order of Melchizedek and Melchizedek operate in if chosen, allowed you are, invited, My name on your forehead which says “Beloved, My Beloved.”**
23. See Me, what all I say at 20,000 feet, 30,000 feet and feetless and without breath yet yours in fullness to do with as you please, almost, not quite, not in control and abasement and showering of insults and meanness that never entered My heart, control systems to proclaim freedom to the captives which think they are in freedom and never freedom tasted. Oh shaw!
24. The day of reckoning is here. **The day of My appearing is here. Already was.** The promise understood and not proclaimed by men’s minds for their purposes so declarative to the thinking-not, mindless ones who mind have and never let, let, let Me

give them the fullness of **what I already placed with/in them to roam the skies and heavenlies and fly with Me and create delivery systems of containment and control not, but ever expanding the kingdom of righteousness holiness and power**, through grace, My blood, patience, temperance, humility, humility, **humility based communication of My heart with my heart with all hearts**. All known and forgiven not, for reckoning occurs and reverts not all to the past-thought for so many but the past real, all at My heart, My table, operating as one.

**25. The marriage supper of the Lamb, painted not, painted never, never grasped in the purity power and truth of Me but will be in living color, seen by all, all at once. Bang!**

Whew! What was that?

Beholding Me all the wed ones who wed Me have already and Me are.

26. See Me and clarifications all I present to you this day for your suffering not but your joy, joy abundance, grace abounding from your lips to Mine, Mine yours, and interexchange of Me, to Me, through you, to you, through each other, to My/our Father. We are one. There is no other.

27. Faint not at the feigning ones who My power seem to have and revoked, forsaken Me they have. I love you and give you Me.

28. See and forget not but forge ahead in My headship not. I am the head. Equal with Me you are, for submitted unconditionally you have, every thought, mansion, mammonized power. I love you. Taking Me up in wordship not, not from being others but from letting Me be Me in you and you fully known to yourself through only Me, knowing Me fully and **fully-izing others along the path process which eternal is and action packed**. Watch Me.

29. No harps, no boredom, guaranteed. Watch Me. Harps and bowls and warfare none. I love you. **Warfare of only Me that exists doesn't. All is won. All is done. I love you**. Work for the night is coming; My works, the one who sent Me sent you, Me. I love you.
